

ADD A MODEL

From https://airbnb.ca, find the cheapest and highest rated possible stay in Ottawa between 20 Jan and 30 Jan.

Model 1:

GPT 4o

I am unable to browse the internet or access real-time data, including specific listings on Airbnb. Please visit the Airbnb website directly to find the most current information on stays in Ottawa.

Model 2:

OpenRouter Auto

Auto-selected: perplexity/sonar

The search results do not provide specific listings for stays in Ottawa from January 20 to 30, 2026, with exact prices, ratings, and availability for that period. They indicate general nightly prices starting at ****\$10 per night**** before taxes and fees across Downtown Ottawa, Centretown, Byward Market, and other areas, with high-rated options like Superhost apartments mentioned but without confirmed availability or total costs for the 10-night stay[1][2][5][6][7].
